Foreword

"Children now love luxury; they have bad manners and contempt for authority. They show disrespect for elders and love to chatter in place of exercising. Children are now tyrants and not slaves of the household. Youth no longer rises when an elder enters a room. They contradict their parents and gobble up their food and chatter in company and enrage their teachers."

So wrote Socrates over 2,000 years ago.

Down through the ages, these same criticisms have been made of youth. To many people, the "youth of today" is lazy, incompetent, and disrespectful.

We would like to prove to you, the readers of our book, that these statements are not always true. The purpose of this year's OIPI is to show you what youth IS doing today, and that our generation is one of which we can be justly proud.

Code of Honor

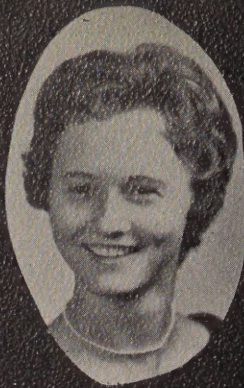

The honor of Macon High School lies in the keeping of its students. Every student owes a debt of gratitude to his school, which he repays by loyalty and honor to it in every respect.

Thus the ideal student obeys its rules and regulations, supports its activities, respects its teachers, and cooperates with his fellow students; he guards against unnecessary absences and tardies. He strives to keep himself morally, mentally, and physically fit, thereby making Macon High school an acknowledged shrine of education second to none in its standards and rating.

such a small word symbolizing much when we recall THESE past days at Macon High. Activities and classes have filled our time and given us many memories. As each event came and went, there was the ever-present thought for the seniors, -- "This is the last time," for we knew that we would soon be saying farewell to our Alma Mater.

As we turn THESE pages, we have THESE moments to remember our first day of school the hurry and flurry of Homecoming the school spirit that follows our team our Harvest Dance the abounding Christmas atmosphere the long wait for the Prom, and then in a few precious hours it is over the strains of "Pomp and Circumstance" as we walk down the aisle at Baccalaureate and Commencement. All THESE and many other moments have helped to make this year a year to be remembered.

THESE were our teachers, admired and respected by every student at Macon High.

THESE were the students, actors upon the stage of MHS.

THESE were our classes, from which each student could learn what he wanted.

THESE were our organizations, in which anyone might take part.

THESE were our activities, which will perhaps be the most outstanding in our memories.

THESE were our sports, building both the sportsmanship and the bodies of our athletes.

THESE are the pages of our 1960 OIPI

Sports

The New Year's Eve we did the town.

The day we tore the goal posts down

We will have these moments to remember.

The quiet walks...

The noisy fun....

The ballroom prize we almost won....

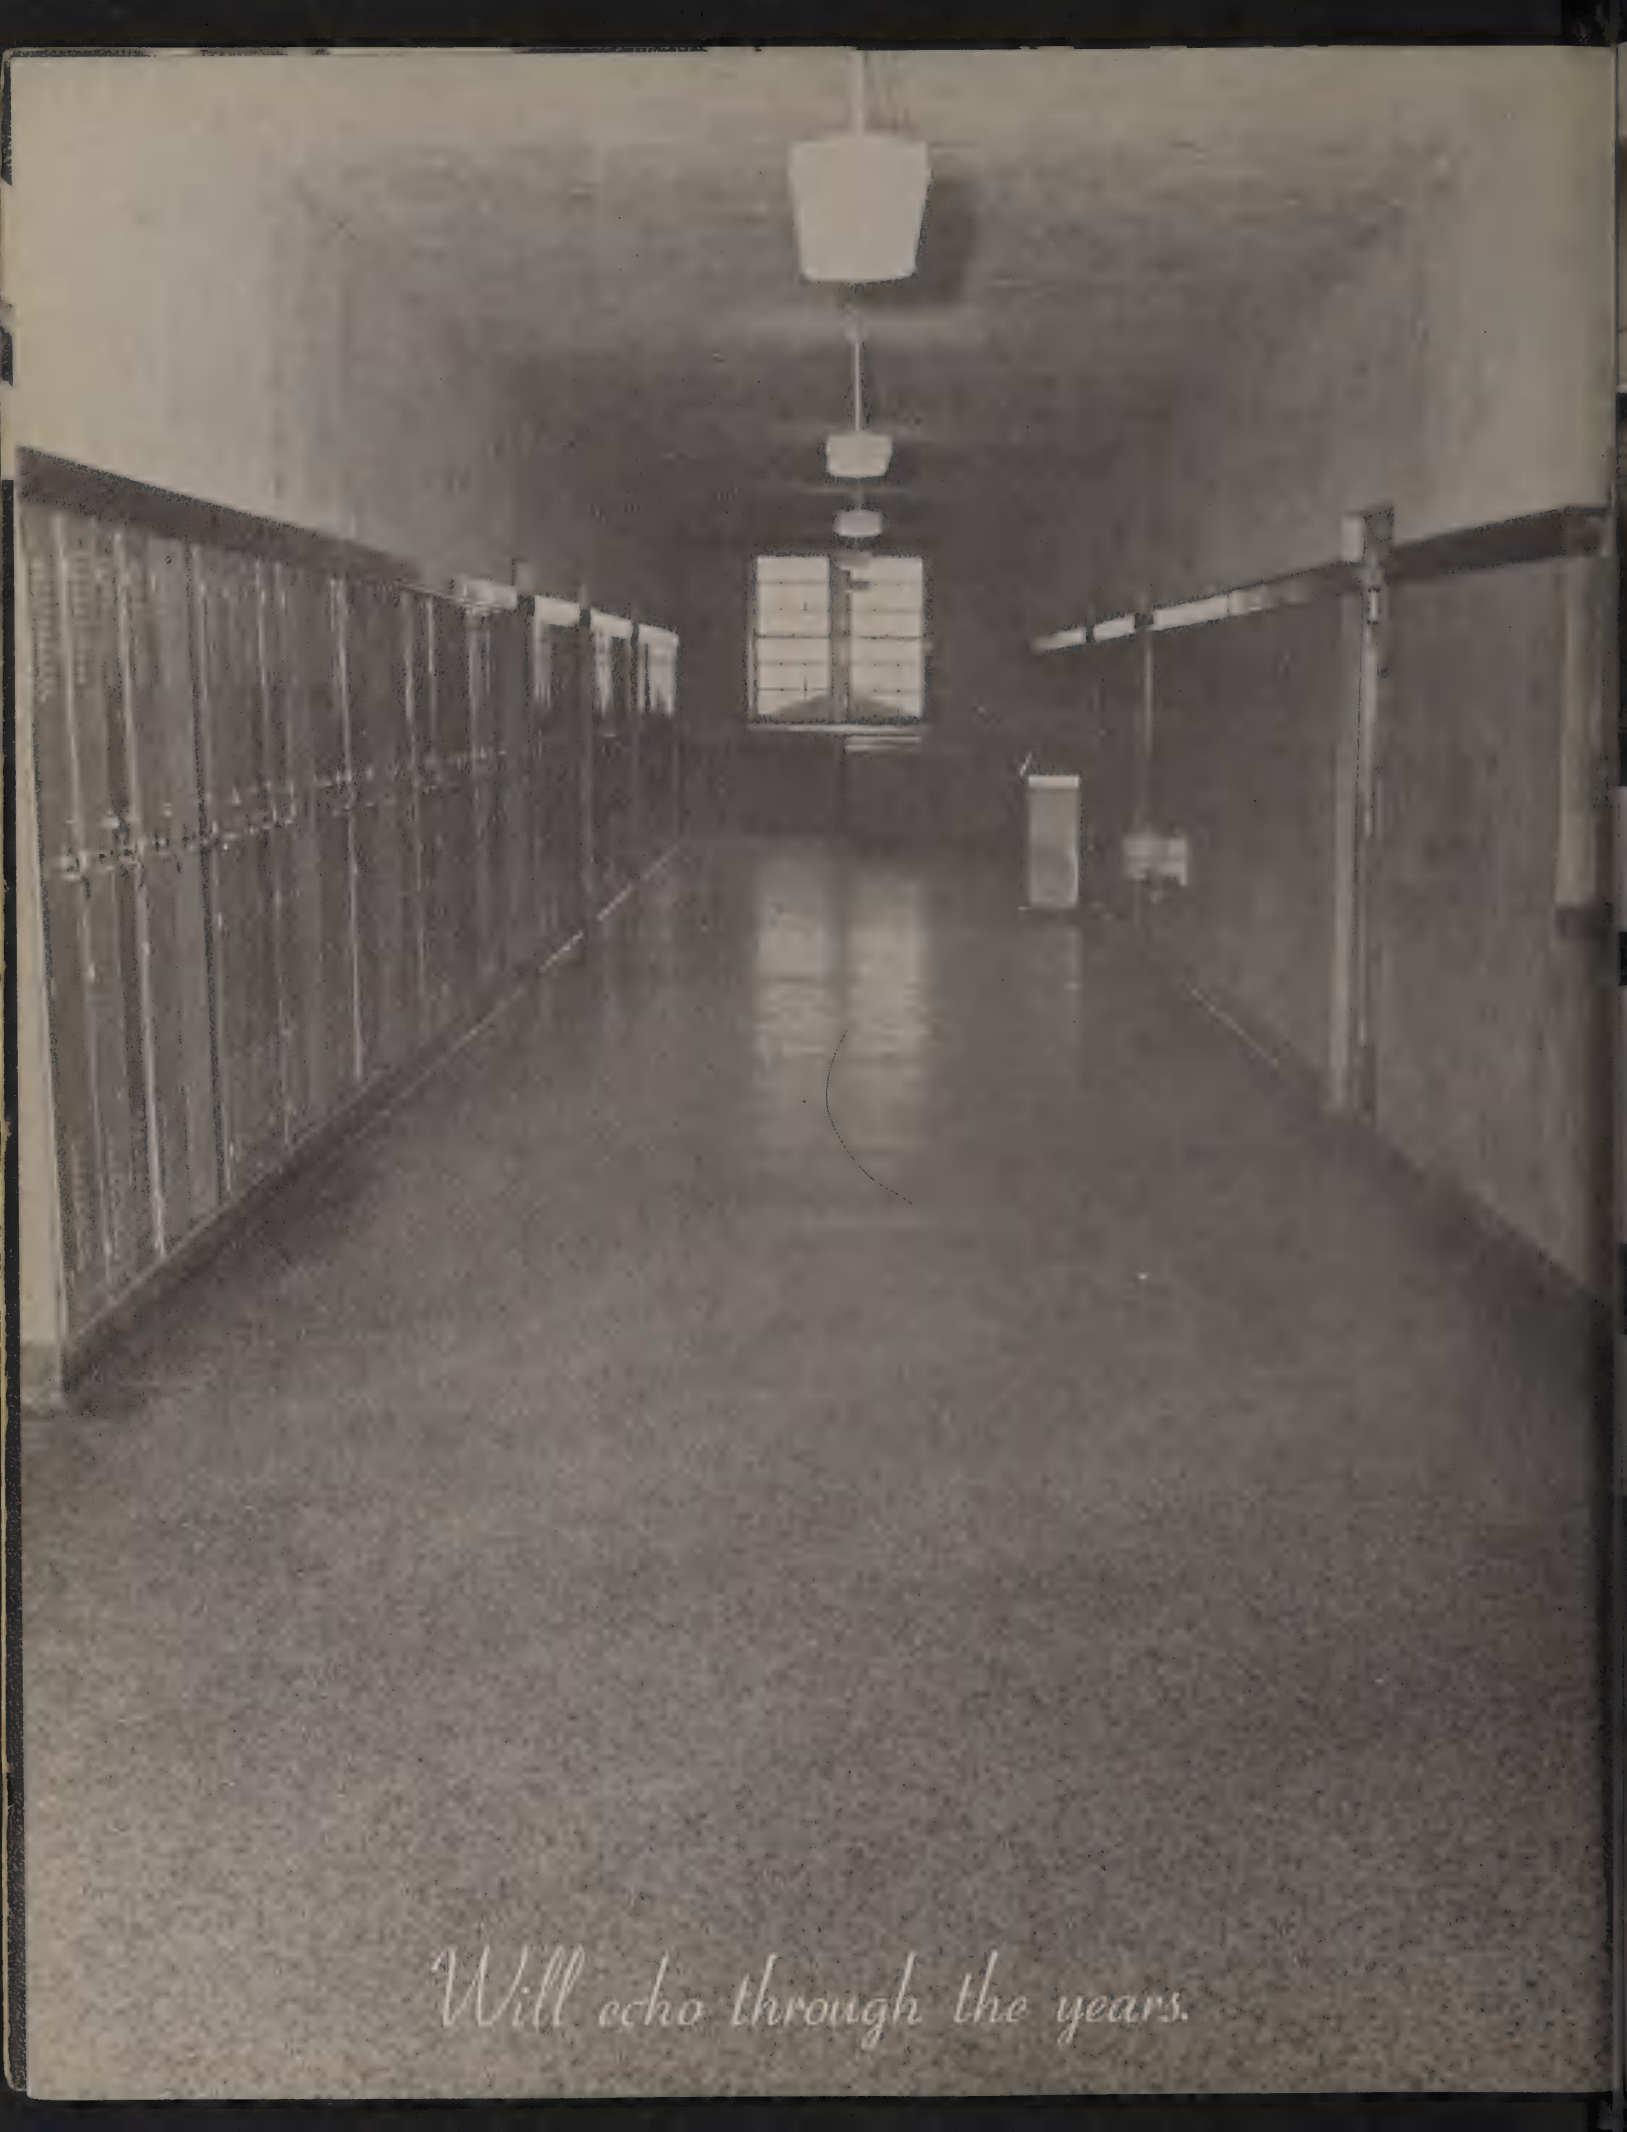

We will have these moments to remember.

Though summer turns to winter, and the present disappears....

The laughter we were glad to share....

Will echo through the years.

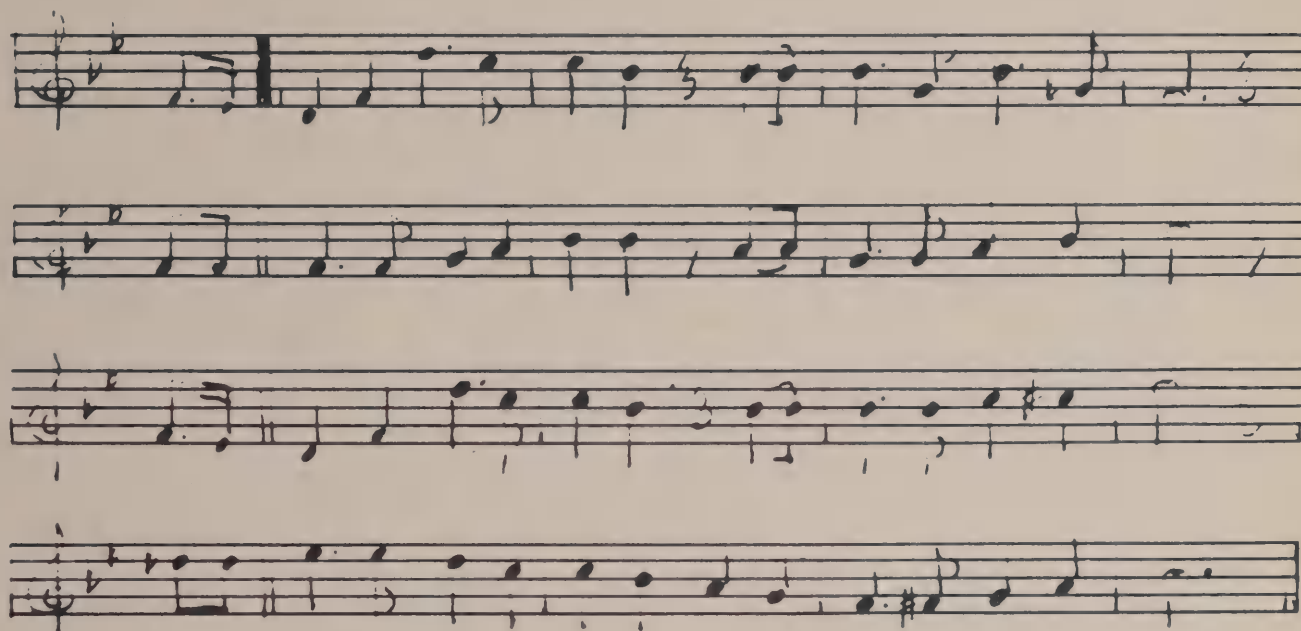

When other nights and other days, may find us gone our separate ways...

HIGH SCHOOL

We will have these moments to remember.

"The Orange and The Black"

Although Yale has always favored the violet's dark blue,
And the gentle sons of Harvard to the crimson rose are true,
We will own the lilies slender, nor honor shall they lack
While the Tiger stands defender of the Orange and the Black.

Through the four long years of high school, midst the scenes we know so well,
As the mystic charms of knowledge, we vainly seek to spell;
Or we win athletic victories on football field or track,
Still we work for dear old Macon and the Orange and the Black.

When the cares of life o'ertake us, mingling fast our locks with gray,
Should our dearest hopes betray us, false fortune fall our way,
Still we banish care and sadness, as we turn our memories back,
And recall those days of gladness 'neath the Orange and the Black.

These

were our teachers, admired and respected by every student at Macon High, guiding us through every trial and tribulation, never to fail.

As another school year has ended, the underclassmen look forward to coming back again, but as seniors we knew that we might never see THESE teachers again.

Through the four years of high school, we, as students, learned to appreciate and grew fond of THESE teachers.

With their helpful guidance, our most difficult problems were solved, and important decisions were made. We gained initiative and acquired a desire to learn through the excellent leadership of THESE teachers.

In the future we will never forget the advice and counseling of THESE teachers.

THESE were our teachers, working, constantly making Macon High an acknowledged shrine of education, second to none in its standards and ratings.

These

were our helpers -- the custodians, the cafeteria manager, and the nurse. Without their help, our school life would have been almost unbearable. To come every morning to a clean school building; to have, every noon, a well-planned hot lunch waiting; to know that if we were sick or hurt we would be properly cared for; THESE things have meant much to all of us. The courteous, efficient service of THESE people will long be remembered.

These

were the students of Macon High, actors upon the stage of MHS.

With the beginning of another school year, old friends became re-acquainted and new friends were made.

Each morning the halls rang with laughter and shouting as we noisily greeted one another.

Whether it was sharing a quiet walk, taking part in a lively discussion, boosting our team, or just being part of an assembly, each of us will have these moments to remember.

Many lasting friendships were made during THESE past days at Macon High, as we shared responsibilities and good times.

This year has ended, but it will never be forgotten.

THESE were the students of Macon High, our friends and classmates.

On September 5, 1956, ninety freshmen stepped timidly over the threshold of High School. Our first class officers were: President -- Donald Marshall; Vice-President -- David Fortney; Secretary -- Sheila Warren; and Treasurer -- Mary Lou Carey. Sandra Hays was our class queen and the attendant to the Homecoming Queen was Linda Alhbom. The Student Council representatives were Donna Cheever, Roy Dale Gilstrap, and Jerry Devine. We entered a float in the Homecoming parade entitled "Down You Go." Our class colors were blue and silver.

We confidently began our second year at Macon High -- no longer freshmen, but Sophomores! We elected as officers: President -- David Fortney; Vice-President -- Ronnie Porter; Secretary -- Marianne Jones; and Treasurer -- Jane Means. Our class queen was Mary Lou Carey. The attendant to the Homecoming Queen was Marianne Jones. Representatives to Student Council were Kay Fuqua, Eddie Knowles, and Ronnie Porter. Elaine Perry honored our class by being elected Kitchenwarming Queen. Our float in the Homecoming parade was entitled "Little Miss Muffet." Our colors were purple and white.

The fall of 1958 brought us back in the halls of MHS -- upperclassmen -- Juniors. For class officers we chose: President -- Jerry Devine; Vice-President -- Don Marshall; Secretary -- Carol Shearon; and Treasurer -- Mary Lou Carey. Linda Cunningham was chosen class queen, and our attendant to the Homecoming Queen was Jane Means. Student Council representatives were: Ann Maddox, Donnie Leath, Don Marshall, Mary Lou Carey, and Linda Cunningham. Mary Lou Carey also honored our class by being elected Barnwarming Queen. Our class colors remained purple and white.

We had a successful magazine sale topping the highest goal ever reached in Macon High School to raise money for the Prom. Our theme for the Sixth Annual All-Night Prom was "Oriental Gardens."

Now it is 1960, and we are the mighty Seniors!! As officers for our best and last year we elected: President -- Gene Roebuck; Vice-President -- Eddie Knowles; Secretary -- Kay Fuqua; and Treasurer -- Carol Resinger. The honor of class queen was given to Carol Shearon. Mary Lou Carey reigned as the 1959-'60 Homecoming Queen, with Donna Cheever and Lois Hossle as attendants. The Oipi staff elected Linda Hooton Oipi Queen. Our float, entitled "We Hold the Key to Victory," was the most beautiful ever entered in a Homecoming parade. Our Student Council representatives are Gene Roebuck, Mary Lou Carey, Steve Lindley, and Porter Baldwin.

Our high school life will soon be ending, and we will be going out into the wide world. May we all have success as we strive to achieve our goals in life.

But when we look back to our high school years, we will have THESE moments to remember.

Good Luck!

Junior History

We entered Macon High School in 1957 -- frightened Freshmen, even though we were 114 strong. Soon we gained courage and elected as our officers the following: Claire Wray, President; Tommy Sneed, Vice-President; Betty Wolfe, Secretary; and Jerry Joiner, Treasurer. We selected Pat Oberto as our Freshman Queen and Deanna Maddy, Homecoming Attendant. Using our class colors, blue and white, we entered a float in the Homecoming Parade. Our Student Council Representatives were Trell Foster, Bill Ed Yates, and Jackie Ford. Somehow, we managed to survive the year, and left for summer vacation with the feeling that our Freshman year had been a success.

Returning in 1958 as 101 confident Sophomores, we elected the following officers; President, Ronald Bentele; Vice-President; Donald Cheever; Secretary, Cheryl Christianson; Treasurer, Linda Luther. Our representatives to the Student Council were Trell Foster, Donald Cheever, Lana Smith and Ronnie Switzer. We chose Lana Smith as our Class Queen and Betty Lenzini as our Homecoming Attendant. Much to our pride and joy, our float, "Let's Send the Bulldogs to the Moon," done in our class colors of pink and white, won second prize in the Homecoming Parade. We adjourned for the summer vacation with a knowledge of a successful Sophomore year.

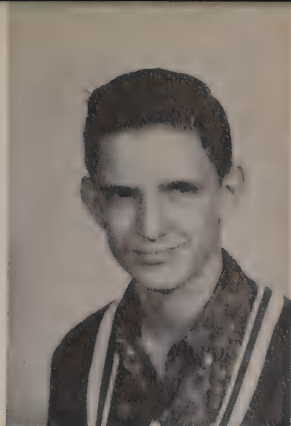

Returning this fall as 104 jubilant Juniors, we elected as officers Donald Cheever, President; Trell Foster, Vice-President; Mary Ann Perino, Secretary; Pat Oberto, Treasurer. As our Student Council Representatives we elected Jerry Joiner, Betty Lenzini, Mary Ann Perino, Trell Foster, and Linda Luther. We chose Deanna Maddy as our Class Queen, and as Attendant, Mary Ann Perino. We entered a float in the Homecoming Parade, entitled "Let's Tame the Wildcats." Our class colors are brown and yellow. We are proud of the part that the members of our class have played in the scholastic work, activities, and sports; and we are sure that our last year will be an even greater success.

were our classes, from which each student could take whatever he wanted. Although we were sometimes lazy and irresponsible, we knew the consequences we must pay.

Each day brought something different -- tests, reports, and routine things.

Throughout the day school sounds were heard -- the tempo of the band, the clacking of the typewriters, and across the hall a recitation of Macbeth's soliloquy. Mingled odors hung in the air -- the smell of cookies from the home-ec room, and the smell of formaldehyde from the biology room.

Each room bustled with action as we searched for knowledge.

THESE were our classes, which made the most necessary and lasting impressions on our minds.

These

were our activities, which will perhaps be the most outstanding in our memories.

Who could forget dancing in the gym with that special person or the feeling of anticipation just before our royalty was crowned?

The long weary hours that we spent working on our floats, or decorating for dances alway seemed worth-while when we viewed the results.

THESE were our activities, a memorable part of our school life.

Homecoming Festivities

We will long remember the excitement and suspense that filled the air on the second day of October when the students of Macon High School chose their 1959 Homecoming Queen. The honors went deservingly to Miss Mary Lou Carey vivacious and charming daughter of Mr. and Mrs. George Carey. Her attendants were: Miss Donna Cheever and Miss Lois Hossle, Senior Attendants; Miss Mary Ann Perino, Junior Attendant; Miss Wanda Sandner, Sophomore Attendant and Miss Margaret Lott, Freshman Attendant.

Mary Lou and her attendants reigned over all the festivities. The snake dance set the stage for the following events. The Homecoming Parade was led by the Queen and her attendants. Following were the beautiful floats entered by the various classes. Also included in the parade were the Class Queens.

Next on the agenda of the festivities was the regular Homecoming game, with Milan. The half-time activities included the crowning of the Queen and the presentation of a beautiful bouquet of roses and the Homecoming trophy. After the game, in which the Tigers fought a losing battle, the Homecoming dance was held where the Homecoming Queen and her attendants were presented with bracelets.

Thus we shall remember always our 1959-'60 Homecoming Festivities.

These

were our sports, building both the sportsmanship and the bodies of our athletes. From fall to spring we can hear the thud of a booted football, the swish of a basketball through the net, or the sound of the track shoes on the cindered track, and always the roar of our faithful fans.

We have spent many exciting hours both participating in and watching THESE athletic events. The daily practices made the most of each well co-ordinated team.

All our teams showed a fighting spirit, and whether the Tigers won or lost, we all displayed our good sportsmanship.

THESE are the memories we will keep of our teams.

MACON 29

SHELBYNA 12

The Macon Tigers met a strong Shelbyna Indian team on the home field, and breaks spelled the big difference in the game. Statistically, Macon led the Indians in yards gained from running and passing but Shelbyna rolled up eleven first downs to Macon's ten first downs, much of it being in the last quarter as Coach Dunn began seasoning some of the younger boys.

MACON 7

MOBERLY 7

The Tigers met the Moberly Pups and came out with a tie in what proved to be a thrilling and hard fought game. A 50 yard pass Cheever to Baldwin was a highlight, and Macon's steady running attack drove into pay-dirt for the Macon score. A tie was gained by Moberly in the last 45 seconds.

Football Squad

FIRST ROW: Left to Right, Clarence Walker, David Norton, R.R. Kelly, Boyd Jeffries, Eddie Knowles, Mike Harris, FIFTH ROW: Donald Marshall, Ronnie Porter, Porter Baldwin, Everett Steffen, Eddie Miller, Bobby Usher, Donald Cheever. SECOND ROW: Claire Wray, Jerry Devine, Jimmy Wildin, John White, Jerry Joiner, Gary Holman, Trell Foster, Kenny Duncan, John Ewing. THIRD ROW: Dale Fortney, Mike Barger, Mike Frost, Mike Maloney, Scott Phillips, Jim Sevre, Ronald Bentele, Larry Crutchfield, Larry Kilgore. MACON 33 TRENTON 6

Macon downed a game but outmanned Trenton team in their first Conference engagement. Macon rolled up 333 yards rushing and all the Tigers saw action during the game. Clarence Walker showed his great potential as a fast, shifty runner, Donald Cheever continued to gain great yardage, Ronnie Porter turned in fine blocking and signal calling, and Porter Baldwin showed great defensive ability as well as tricky running and blocking all of the Tiger linemen turned in a good game.

MACON 0 UNIONVILLE 21

Again the Tigers met a team with a greater will to win and Unionville gave Macon their worst loss of the season. The Tigers minus three starters, Porter, Bentele, and Phillips, were unable to muster up enough spirit to become the "go-go-go" guys they usually are regardless of the opposition. A very muddy field and a game played away from home could have helped play a part in the defeat.

Tiger Coaches and Co-Captains: Robert Wilson, Hugh Dunn, Ronnie Porter, Porter Baldwin, Alfred Welch, David Marr.

MACON 41 BROOKFIELD 12

With an overall team effort, the Tigers ran over the Brookfield Bulldogs 41-12. Most of the Tiger squad saw action and all turned in top performances. Statistics showed a much closer game than it actually was, but with Macon putting on a fine exhibition of pass defense and also recovering two fumbles, plus a good running offense they rolled up the score 41-0 before the Bulldogs were allowed to score in the fourth quarter.

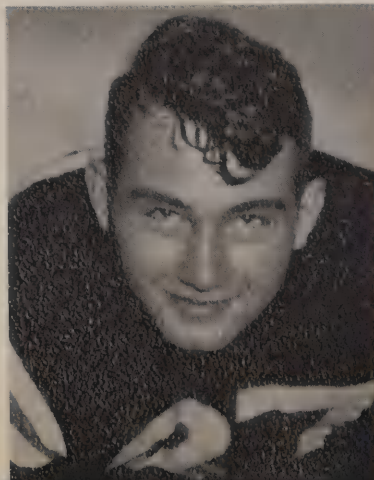

MACON 0 MARCELINE 13

The Macon Tigers suffered their first loss to a big, rough Marceline outfit, who showed good power but also racked up 100 yards in penalties. Although the Tigers were only down one touchdown at the half they were unable to get back in the game. Because of injuries, Macon lost some of their Chatter boys and struggled through the second half unable to scratch pay-dirt.

MACON 6 MILAN 24

Before a big homecoming crowd, the Tigers met the conference leaders, the Milan Wildcats, and in spite of injuries, played them a hard-fought game. Outweighed by 20 lbs. per man in the line, the Tigers time and again stopped the Milan runners for little gain. The brightest spot in the Macon offense was a 63 yard scoring run by Donald Cheever. All of the Tigers played a fine game.

MACON 7 CHILLICOTHE 26

Scoring in every quarter, and running the last play of the game for a score, the Chillicothe Hornets gave the Tigers their fourth conference defeat. The Tiger line was outmanned by the Hornet line who outweighed the Tigers but Macon put up a good fighting battle throughout the game, to keep the outcome in doubt until late in the third quarter.

MACON 19 KIRKSVILLE 6

The Tigers played their last 1959 home game in a blaze of glory, winning their last conference game to cinch fifth place in the conference, downing a good Kirksville team in a heads-up, allout effort by the Tigers. The Tiger line showed well with Maloney, Kilgore, Crutchfield, Foster, Carter, Wray, Phillips, Devine, Bentele, Wadlin, Norton, Holman, Sebree, Burch, and other Tigers in the thick of the battle. In the backfield doing an outstanding job were Baldwin, Porter, Cheever, Marshall, and Walker.

MACON 13 CENTRALIA 13

The Tigers ended their grid season in a fighting finish, tying a strong Centralia team on a frozen Panther field, coming from behind twice to gain a tie and knocked at the door for a win before time took over. The Tigers contained a very strong running attack very well and went to the air themselves to keep the game on an even footing, and a blocked kick was all that saved the Panthers from a defeat.

We Will Have These Moments To Remember

As we look back over our 1959-'60 Oipi, we will look back over our high school life. Memories will rush back -- memories of friends, faculty, classes, activities, and social life; and some memories not so good -- of mistakes we have made, things we wish we had done differently.

These memories will perhaps be most vivid to the Seniors. For as each one advances on his or her separate path, certain memories will linger. Memories of friends made and of friends lost will be the shadows of our paths -- not only friendships between students, but also between students and teachers.

There will, of course, be too many moments shared that we won't be able to recall. But the most important ones will last forever --- in our lives, in our homes, and in our hearts. They will stand as a symbol of unity, which we knew, throughout our four years at Macon High.

Here's a heartfelt toast to the City of Macon, a city devoted to the advancement of learning and to the instruction of its youth.

To the loving hearts, then, of this community who have proved by their advertising in this book that they have faith and confidence in us, their youth, we give our sincere thanks.
